A culinary journey through Italy

7-COURSE GRAND TASTING MENU BY FRANCK GARANGER

An anthology is defined as a collection of selected cultural works of art. True to its name, our Anthology restaurant tells the story of Italy's culinary brilliance through a creative expression of culture, heritage and passion.

From the renowned flavours of Piedmont's truffle-rich countryside in the North, to the famed specialities of Italy's South, the menu is an ingenious display of creativity – each dish celebrating the finest local ingredients and time-honoured techniques and tastes of every region in Italy.

the people, the ingredients, and the traditions
that have been passed down through generations.
It's about sharing the soul of Italy, one dish at a time."*
